2010 CAREER ART PATH (“CAP”) PROGRAM

INFORMATION AND INSTRUCTIONS

Young artists will have a chance to enhance their visual arts skills and explore career opportunities at DAAC’s annual Career Art Path (CAP) summer program. This year’s program will be held at Lynn Middle School from June 7th through June 18th, 2010. Middle school students (graduating 6th through 9th graders) from throughout the region will spend two weeks experimenting with a variety of media, enjoying field trips, learning from guest artists and participating in intensive workshops. At the end of the program, students will host a special exhibit of their work that is open to the public.

The curriculum includes a chance to work with everything from clay, paint and oil pastels to jewelry-making, silk-screening, airbrushing, papermaking, weaving and computer graphics.

The cost of the program is \$75 per participant and the program will be filled according to the date the application is received. A limited number of scholarships are available for those who need financial assistance.

TO RESERVE YOUR SPACE, you should complete and return the **registration/parental consent form** and the **parent/guardian participant contract** with your payment of \$75 by no later than May 14, 2010. Please make checks payable to DAAC.
